Good morning Terrance!

The earlier the better. If we can make 10am the start time, that would be great!

The Director really enjoys speaking with students and hearing about their service time and transition to civilian life. If we could have a meet and great with some veteran students, that would be an awesome addition!

Please let us know how else we can assist!

Good morning, Maria and Gary,

We are excited to hear that Director Harris will be visiting the University of Cincinnati!

After discussing with our leadership team, we believe that Friday, September 25 would be best for the visit.

I will be the primary point of contact so please let me know what time works best for you.

Have a nice day!

Terence

Good afternoon Mr. Terence,

Sir, General Harris is interested in doing an "official tour" of UC. During these tours, we tend to meet with student veterans, walk through the campus to see highlights (any program is fine), and get 30 minutes (or less) with the president of the university. The easiest way to describe this is treating it like a DV visit on post!

At this time, can we possibly do a September 22nd or 23rd?

I recall us possibly working together the 17th of September, that is going to be different.

Please let me know your thoughts!
